The screenshot displays a Microsoft Access application window titled "Microsoft Access". Inside, a "MAIN - Form" window is open, showing a "Registration" form. The form is organized into two columns of fields. The left column includes: "FirstName", "Middle Initial", "LastName", "Suffix", "Street Number", "Street Name", "Apt Number", "City", "State", and "Zipcode". The right column includes: "Sex", "Color Eyes", "Height", "Date of Birth", "Number of Years for License", and "Amount Remitted". Each field is represented by a text box. At the bottom right of the form, there are two buttons labeled "Submit" and "Cancel". The status bar at the bottom of the Access window indicates "Form View".
